A top-down view of four young women with long brown hair, smiling at the camera. They are sitting around a light-colored wooden table. In the center of the table is an open book with the word "and" written in blue cursive on its pages. To the left of the book is a white smartphone. To the right is a pink folder with another white smartphone on it. The women are wearing various casual clothes like plaid shirts and denim jackets. The background is slightly blurred, showing more of the table and the women's hands.
